

Add Additional Options

Select Yes to show additional layout options for this page. Items include Carousels, Flex Columns, Masonry Layouts, Timelines, Tabbed Content and more.

Yes

Which Options to Add

Select the option(s) you would like to add to this section. Keep in mind, some options are not available if the above "Show Section Sidebar" option is set to Yes. If you check the Carousel, Widget Row or Masonry boxes and no additional fields show, set "Show Section Sidebar" to No.

- Add Columns
 Add a Carousel or Full Width Slider (Only one per page) (Not Available if Show Section Sidebar is Yes)
 Add Widget Row Add a Timeline
 Add a Masonry Layout (Not Available if Show Section Sidebar is Yes)
 Add Tabbed Content (Only one per page) Add Horizontal Bar Graph Add an Accordion

Note: you can add all available options in one section, but it is usually better to have one layout per section. However, too many sections can be more difficult to manage.

Add Widget Row

Select whether to show a row of widgets for this section only. Select the widgets defined in Appearance > Widgets.

Yes

Select Widget Background Color

Select the background color for the widgets.

Set Widget Row Top Margin

Set the top margin for the widget row. In pixels (px).

20

Set Widget Row Bottom Margin

Set the bottom margin for the widget row. In pixels (px).

20

Which Widgets in Row

Select which of the 4 provided sidebars to use.

Which Widget to Use	
Select which of the 4 provided sidebars to use.	
1 Section	BasicBuild WP Sidebar 1
2 Section	BasicBuild WP Sidebar 2
3 Section	BasicBuild WP Sidebar 3
4 Section	BasicBuild WP Sidebar 4

Add Widget

Content After Layout

If desired, type in the content to be used after the current layout.

Add Media Formidable

Visual Text

Paragraph **B** *I*

ABC

1. Select the Additional Options tab.
2. Select Yes to add additional options.
3. Select the Add Widget Row checkbox.
4. Select Yes to Add Widget Row.
5. Click the Add Widget button in the lower right corner.
6. Set the widget background color.
7. Set the top and bottom margin for the widget row wrapper.
8. You can add up to 4 of the provided widgets. They will be evenly distributed horizontally to the max-width of the container.
 1. Use the drop down menu to select which widget to add.
9. If desired, you add content after the columns. It is basically a second WordPress WYSIWYG editor.
 1. If adding content after the widget row wrapper, set the top and bottom padding for the wrapper.

Content After Layout Top Padding

Set the top padding for the content after the above layout.

20

Content After Layout Bottom Padding

Set the bottom padding for the content after the above layout.
